AARUPADAI VEEDU INSTITUTE OF TECHNOLOGY, PAIYANOOR
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING
SEMINAR ON CAREER AWARENESS

A SEMINAR ON **CAREER AWARENESS** was conducted on **30.8.17** for the students of III year and II year EEE and Mechatronics at LH-10 III year Mechatronics Classroom around 1.00 P.M. Prof.**P. Rajasekaran HOD/EEE** was present in the meeting.

Mr.Siranjeevi. of III year Mechatronics delivered the welcome address Mr. **K.VASANKUMAR ACADEMIC HEAD,TIME**, delivered a guest lecture on **CAREER AWARENESS** . He explained elaborately about the Career awareness in today's life for the benefit of Engineering students. At the outset, he stressed the need for the students who are pursuing their studies in the circuit branches of Engineering to update their software skills. He also listed the major areas in the Software Industry, which could provide career opportunities to the students of the Electrical and Electronics Engineering and Mechatronics Engineering. The main areas in which Electrical and Mechatronics Engineers could possibly develop their skills are in Systems Engineering and Networking. He explained the recent developments in Energy Conservation and Power System Engineering in the field of Computer and Software Industry.

The students were very much benefited by his lecture. Mr. Kapil Deo Mandal of III year EEE proposed the vote of thanks. Around 86 students from both II and III year & Final year EEE and Mechatronics attended the seminar.
