“ESSENTIALS OF MESHING SOFTWARE IN FEA” on 05.10.2017

“ENGINEERING DESIGN COLLEGIATE CLUB” (EDCC), Department of Mechanical Engineering, AVIT organized a seminar in the topic **“ESSENTIALS OF MESHING SOFTWARE IN FEA”** on 05th October 2017. The expert speakers were welcomed by **Prof. L. Prabhu**, Head of the Department, Mechanical Engineering and **Mr. M. Ganesh Kumar**, Assistant Professor; Department of Mechanical Engineering gave the introduction of guest.

Mr. Sujanth Mathew, BUSINESS DEVELOPMENT EXECUTIVE, **HEXD OF ENGINEERING SERVICES PVT. LTD.** briefed the importance of Meshing software and its various applications. The lecture was mainly focused on the Meshing technique and importance of meshing in Engineering Design Analysis. 50 Student Members of EDCC attended the seminar. **Mr. Praveen.R**, Asst. Prof, Department of Mechanical Engineering proposed the vote of thanks.
