VENKATRAMAN, Professor & Head, Department of Mechanical Engineering Introduction of Guest & Vote of Thanks: Mr. L.PRABHU, Asso. Prof Department of Mechanical Engineering

The mechanical department is very glad to inform you that the **One Day Workshop On New And Renewable Sources** which was conducted in our institution 31ST March (2016) was a great success. The number of participants expected to attend the workshop is around 300 but the number of faculty's and students were attended. The function was really magnificent and grand in which Students from varies colleges have attend the workshop. This workshop conducted from mechanical department from our college made use of this wonderful oppotunity to gain knowledge in the wind and solar topics related to their stream.
