FINESSES 2017

5.9.17

FINESSES 2017 is a student scientific poster presentation organized by the Department of Biotechnology on 5th September 2017. This program was organized to bring out the talents of the students and also to get exposed to recent innovation and techniques in the field of Biotechnology. Dr.Giri Rengasamy, addressed the students and also greeted the students from other University who have visited Thailand. Dr.Vemuri LakshmiNarayana, Principal presided over the function and addressed about the wide opportunity in the field of Biotechnology. The Principal also appreciated the department for motivating and indulging the students in such activities. Prof. VijendraBabu, Vice Principal also motivated the students and also judged the students by raising questions. The best three posters were awarded with prizes and participation certificates were distributed to all the participants.
