

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON GUEST LECTURE

Department of Civil Engineering organized a Guest lecture on “Secrets of Blended Cements and M-Sand” on 06-02-2018 by Shri. V. Ramanathan, General Manager, Dalmia Cements. Welcome address was given by Dr.S.P.Sangeetha, Head of the Department followed by honoring the chief guest. Lecture was delivered by the chief guest in a very interactive way. He explained clearly the benefits of addition of supplementary cementitious materials (SCMs), such as fly ash and slag, to cement. New trends in sustainable development of concrete infrastructure and in environmental regulations on waste were also discussed. Quiz also was conducted at the end and special gifts were given to the student’s .He and his team members also gave a demonstration on concrete testing like slump cone test, compressive strength on concrete, sieve analysis, NDT in their mobile testing vehicle. Finally vote of thanks was delivered by Mrs.B.Jayashree,Assistant Professor.
