

Vinayaka Missions University

Aarupadai Veedu Institute of Technology, Paiyanoor

Graduation Day Report

The 10th Graduation Day of Aarupadai Veedu Institute of Technology (AVIT), Vinayaka Missions University, was held on 24th July, 2011 for the students of the 2007 – 2011 batch. Aarupadai Veedu Institute of Technology, an ambit institution of Vinayaka Missions University is located on the Old Mahabalipuram Road (Rajiv Gandhi Salai), Paiyanoor, 8 kms from Thiruporur. Dr. Mylswamy Annadurai, Director, Chandrayan 1 & 2 Missions, delivered the Graduation Day address. The function was presided over by Shri. N. V. Chandrasekar, Vice President, Vinayaka Missions University.

During this 10th Graduation day about 1200 students received the degree certificates from the various branches of study – Bioinformatics, Biotechnology, Biomedical Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Electrical and Instrumentation Engineering, Information Technology and Mechanical Engineering. Of these 1200 candidates, about 86% of them are passing out with First Class.

There are 10 University Rank Holders with the first rank being bagged by the departments of Bioinformatics, Biomedical Engineering and Instrumentation Engineering. Apart from the University rank holders the top 3 students of every branch were also honoured during this Graduation Day.

Ms. Shravya of the Department of Bioinformatics was awarded for her academic excellence and meritorious achievements with the Dr. A. Shanmugasundaram Gold Medal award instituted in the name of the Chancellor of Vinayaka Missions University. This award carries a citation with a cash award of Rs. 20,000/-

According to the vision of Dr. A. S. Ganesan, Vice Chairman, VMU, AVIT believes in building every individual in all the spheres, to build society, the nation and the world at large.
