

DEPARTMENT OF MECHANICAL ENGINEERING
**THIRD NATIONAL
WORKSHOP ON EMERGING MATERIALS AND APPLICATIONS**
(2nd - 3rd DECEMBER, 2010)

The Department of Mechanical Engineering, Aarupadai Veedu Institute of Technology, Paiyanoor, organized a two day national workshop (the Third National Workshop) on Emerging Materials and Applications during 2nd – 3rd December, 2010. Shri. T. A. B. Barathi, Vice-President - Supply Chain, Wheels India Limited, inaugurated the two day workshop and delivered the inaugural address. Shri. N. P. Rajamane, Former Head, Advanced Materials Laboratory, SERC-CSIR, Chennai delivered the key note address on “Application of Nano-Technology to Recycling Concretes”. Around 8 technical sessions were held with speakers from leading research establishments, industry and academic institutions. The two day event concluded with a valediction. The valedictory address was delivered by Shri. R. Venugopal, Additional Director, Combat Vehicles Research Development Establishment, Chennai. Dr. (Mrs.) N. R. Alamelu, Principal, AVIT presided over the programme. Prof. K. V. Krishna Sastry, Head, Department of Mechanical Engineering welcomed the gathering. Mr. N. Lakshminaraynan, Coordinator, briefed on the objective of workshop and Mr. J. Senthil, Coordinator, proposed the vote of thanks to all the supporters and sponsors. Around 75 participants from academia and industry participated in the workshop. The workshop was co-sponsored by the Tamil Nadu State Council for Science and Technology and the Madras Metallurgical Society, Chennai.
