Faculty & Staff Development Programme

Aarupadai Veedu Institute of Technology, Vinayaka Missions University, Paiyanoor, formally launched the Faculty and Staff Development Programme on 4th October, 2010.

Dr. N. R. Alamelu, Principal, AVIT welcomed the gathering and said that the programme was the brain child of the Pro-Chancellor, Dr. A. S. Ganesan who was keenly interested in upgrading the knowledge and technical skills of the college staff. She also stated that this would help in establishing a School for Faculty Development to train other institutions in future.

Prof. Kalyan Kumar, Former Director, NERIST (North Eastern Regional Institute of Science & Technology) spoke on the need for the upgradation of knowledge and skills in this fast changing world. To keep up with technological advancements, faculty and technical staff require refresher and orientation programmes. Such programmes would also help them in their career growth and provide opportunities for promotion.

Dr. K. Subbammal, Principal, Vinayaka Missions University College of Education, Puducherry, highlighted the need for education in technology, sharing valuable inputs.

Prof. P. K. Bhattacharya, Dean, Faculty Development & Inter Disciplinary Activities briefly outlined the road map to be followed. Based on the needs of the faculty and instructors, courses such as Spoken English and Spoken Hindi have been planned to improve communication skills, also Basic Computer Skills, Safety Awareness Programmes and Technical Courses to enhance skills of Laboratory Instructors.

The meeting concluded with Dr. R. Devika, Head of the Department, Bio Informatics proposing the vote of thanks.
