

# Report on National Conference on Information and Software Engineering - NCISE 2012 Held in AVIT March 9<sup>th</sup> & 10<sup>th</sup>, 2012

The IEEE Computer Society Madras Chapter, IEEE Computer Society Branch Chapter-AVIT and Department of Information Technology, Aarupadai Veedu Institute of Technology organized the 4<sup>th</sup> National Conference on Information and Software Engineering. The inauguration of the conference proceedings was held on Friday, 9th March, 2012 at 10:00 am in the Auditorium of Aarupadai Veedu Institute of Technology, Paiyanoor.

**Mr. Rajaram Venkataraman, Principal Research Analyst, Infosys Labs, Chennai**, the Chief Guest, delivered the inaugural address to the delegates featuring the importance of innovative ideas regarding Software Engineering and released the souvenir. Following the inauguration, **Mr. Chandrasekhar Madala**, Center Head, Birlasoft (India) Limited, Chennai released the proceedings of the conference and delivered the key note address.

Dr. (Mrs.). N. R. Alamelu presided over the function and delivered the presidential address. Dr. A. Anthony Irudhayaraj, Dean (IT) delivered the welcome note to the gathering and briefed them the theme of conference.

Around 100 delegates comprising research scholars, faculty members and students from all over the country participated in the conference. About 40 technical papers were presented both in Information and Software Engineering. The invited talk sessions covered a wide range of topics in the field of Software and Information Engineering. Renowned specialists and domain experts from the industry delivered lectures and shared their rich and varied experiences. Students of the CSE and IT departments and faculty from various departments were present at the function. The following were the invited talk sessions.

- ❖ “Cloud Computing, Mobile and Green Computing” by Mr. Murali, Technology Consultant, Applications & Technology Services Group, Computer Science Corporation India Pvt. Ltd.
- ❖ “Software Reliability Engineering ” by Dr. D. Damodaran, Additional Director & Scientist ‘E’, Centre for Reliability, Ministry of Communication & IT, Government of India.
- ❖ “Agile Application Development” by Mrs. P. Geetha, Process Consultant, Ford Technology Services, Chennai.
- ❖ “Software Requirement Engineering” by Mr. M. Arunachalam, Advisor, HCL Technologies, Chennai.

Mrs. P. Geetha, Process Consultant, Ford Technology Services, addressed the delegates during the valedictory function and distributed the certificates. Prof. C. Karthikeyan Head, Department of Information Technology rendered the vote of thanks.
