

Report on National Conference

NCGT EEE-2014

28th March 2014

The Department of Civil Engineering and Chemistry, Aarupadai veedu Institute of Technology (AVIT) organized a National Conference on “**Green Technology Environment Engineering and Ethics NCGT EEE-2014**” on 28th March 2014 in technical collaboration with Indian Metrological Centre and co-sponsored by Tamilnadu centre for science and Technology.

Distinguished scientists and researchers, delegates from various universities and various R&D establishments attended the conference. About 75 research papers were presented in the Conference. The conference was presided over by Dr. J. Shganmugam, Principal, AVIT. **Dr. Devadas Manoharan**, Professor, Department of Civil Engineering, Anna University inaugurated the conference and delivered the keynote address. **Dr. Latha**, Scientist & Director, National

Institute of Ocean Technology, Ministry of Earth Sciences, Chennai gave a special lecture on “Sustainable Technologies”.

Mrs.S.P.Sangeetha,HOD Civil welcomed the gathering.Dr.Rangadurai,HOD,Chemistry spoke about the conference.The topics covered relevant to the conference were Natural Resources Management, Sustainable Agriculture, Water Resources and Environmental Engineering, Urban Environmental Management and Irrigation Systems, Remote Sensing and Soil Engineering. The conference aimed to impart knowledge among the researchers, academicians and industrialists aware of the Technical advancement in the fields of sustainable infrastructure development, Green Chemistry, Environmental Communication.. NCGT EEE-2014 has given good scope on the faculty development and evaluation. The Conference had the large potential growth of research in the field of Environmental Engineering. Mrs.R.Nagalakshmi,Chemistry delivered the vote of thanks
