GENDER SENSITISATION CELL
CANCER AWARENESS PROGRAM

REPORT

The Gender Sensitisation Cell conducted a Cancer Awareness program on 2nd April, 2015. The program was conducted in the college auditorium at 1.30 p.m. The purpose of the program was to create awareness about cancer especially Breast Cancer among women. Dr. Jennifer G Joseph, English Department welcomed the gathering. Ms. Visalatchi of CSE department presented a bouquet to the Chief Guest, Dr. Prabasheela of Biotechnology department. Dr. Prabasheela began the session with a power point on the different types of cancer and the precautions necessary to avoid cancer. Methods of early detection of cancer were also discussed. At the end of the seminar she distributed pamphlets to create more awareness. Ms Surya of Civil department delivered the vote of thanks. The feedback from the audience was good and there was a request for another session on cancer awareness for faculty members.
