LEARN FROM HOME (LFH) THROUGH VIRTUAL CLASS ROOM

Dear Students,

Thank you for your cooperation extended so far and hope all of you are safe & healthy at your home. During this nationwide shutdown for corona outbreak, AVIT is pleased to inform you that, the following steps were taken to continue our Teaching and learning activity. Lots of effort is being put by our dedicated faculty and staff into these online interventions.

- 1) **Google Classroom:** All the students are informed to access the online class room through Google class room which we have been adopting from the beginning of this semester. Lecture notes, three types of Assignments (Innovative, Research, and Skill Based) Question Bank, Puzzles and Quiz were also posted in the APP.
- 2) **CAMU – Learning Management System(LMS) :** All the I,II and III year students are informed to access the portal/mobile app for accessing Lecture notes, three types of Assignments (Innovative, Research, and Skill Based), Question Bank, Puzzles and Quiz were also posted in the APP. We encourage the students to fully utilize this facility, as we may conduct Internal Assessment Test through our online portal – CAMU
- 3) **National Digital Library (NDL) :** Students are informed to access the NDL APP through your android or iOS platform and it will be useful for writing the Research Based Assignment (Please visit <https://ndl.gov.in> or <https://ndl.iitkgp.ac.in>)
- 4) **SWAYAM/NPTEL:** We are very happy to note that, more than 600 students were registered for SWAYAM/NPTEL online MOOC courses and paid the registration fees and 77 mentors were allocated for mentoring the courses. All the students are requested to go through the Video lecture and submit the assignment on time and also contact the mentors for any doubts or clarifications. (Please visit <https://swayam.gov.in/NPTEL>)
- 5) **IIT-B Spoken Tutorial:** With All your active participation, AVIT has conducted 170 training in open source software. This semester also 27 software training also were registered. All the registered students are informed to contact your Spoken Tutorial coordinator and learn the open source software. we may conduct the online test through spoken tutorial by end of April -2020 (Please visit <https://spoken-tutorial.org/>)

- 6) **Internshala (AICTE partner for Students Internship):** All the students are informed to activate your internshala account which was registered bulk by the college and participate the online internship fair for work from home internship – 2020. 1700+ internships and 300+ work from home internships are available (Please visit <https://internshala.com>)
- 7) **National Educational Alliance for Technology (NEAT) :** All the students are informed to access the NEAT e- learning /content platform for Engineering courses and it is freely available for next 3 months (Please visit <https://neat.aicte-india.org/>)
- 8) **Virtual Lab –NMEICT:** Our Institute is a Active nodal center for virtual lab offered by NMEICT, Govt.of India. All the students are informed to access the virtual lab through the following website and do the experiments virtually.
<https://vlab.amrita.edu/index.php>
http://vlabs.iitb.ac.in/vlabs-dev/approved_labs.php
- 9) Students are advised to also use the collaborative learning through Google class rooms, CAMU platform to ensure that, there is maximum sharing of Knowledge between faculty and students and between the students.
- 10) Students are advised to productively use their internet bandwidth and maximize this opportunity that is available during this suspended academic session
- 11) Each department of our institute is sharing the Learn from Home (LFH) Sheet to you. All the students are advised to fill the sheet everyday and submit to the respective departments.
- 12) Students are advised to stay your home and not to travel to friend's home or internet center or any other place under the pretext of accessing the internet.
- 13) Any suggestion and feedback may please be sent to **principaloffice@avit.ac.in**

The institution is putting effort to conduct the classes virtually through ZOOM and TCS-iON platform to complete the syllabus ontime. Once the platform is ready, we will inform you all in due course.

We wish all the students a safe stay at home and we can use this lockdown period as a productive by using the above teaching learning activity to maximize the learning experience through online. We are looking forward for your cooperation during this worldwide pandemic crisis.
