DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT on training program on Energy literacy on 31.1.2023

The Department of Electrical and Electronics Engineering in association with Aadhavan Energy Swaraj Club-AVIT has conducted a Training Programme on Energy literacy training for the students of Humanities and science, Law students and allied health sciences. The training has made students to gain the knowledge on the solar system and the importance of energy that is consumed in our day to day life . The students are given an awareness about the global warming . They were also been informed that the climate has already changed by us . By this training , the students have taken a challenge to reduce their electricity bill for the upcoming months by showing their contribution to save energy
