

DEPARTMENT OF CIVIL ENGINEERING

**A Report on
ONE DAY SEMINAR ON
'RECENT DEVELOPMENTS IN CONSTRUCTION INDUSTRY'**

Date	: 28 th August 2019
Organized by	: Department of Civil Engineering
Convenor	: Dr.S.P.Sangeetha , VP (Academics) Dr.R.Divahar , HoD/Civil Engg.
Coordinator	: Mrs. C. Nivetha, Assistant Professor
Venue	: Auditorium
Chief Guest	: Dr.V.Rajendran M.E.,Ph.D Secretary Association of Consulting Civil Engineers Chennai
Technical Person	: Dr.Colonel.P.Nallathambi Principal Structural Consultant & Managing Director Sakthi Consultancy Pvt. Ltd Chennai Er.J.Tamil Selvan Executive Engineer-Civil Tamil Nadu Generation & Distribution Corporation Chennai

Welcome address by The HoD

HoD honoring the chief guest

DEPARTMENT OF CIVIL ENGINEERING

Department of Civil Engineering organized a One Day Seminar on 'Recent Developments in Construction Industry' for II, III and IV year UG students on 28th August 2019 in the auditorium. Dr. R. Divahar (HOD- Civil Engg.) delivered the welcome address and expressed his word of gratitude to the guests and the gathering. The chief guest Dr.V.Rajendran was introduced to the gathering by Ms.Pa.Suriya, AP, Civil Engineering. The technical speakers Dr.Colonel.P.Nallathambi and Er.J.Tamil Selvan were introduced to the gathering by Dr.D.S.Vijayan and Ms.C.Vaidevi, AP, Civil Engineering respectively.

The chief guest Dr. V. Rajendran delivered the inaugural address in which he explained about the importance of new software in the field of construction. He encouraged and motivated students to go for internship so that their practical knowledge will be developed. The first technical session was handled by Dr.Colonel. P.Nallathambi on the topic "Recent Developments in Construction Industry" in which he elaborated about Green construction, Prefabricated and modular construction, how to handle with the increasing material cost, better safety equipment and mobile technology. The second technical session was handled by Er. J.Tamil Selvan on the topic "Basic concepts of Structural analysis and Design." He briefed the students about the design of various structures, types of loads and discussed about the various IS code books used by civil engineers for design purpose.

The event was concluded with a questionnaire session among the participants and technical speakers. Mrs. C. Nivetha, Assistant Professor, Department of Civil Engineering delivered the vote of thanks.

Dr.D.S.Vijayan Honoring the technical Speaker

Ms.C.Vaidevi Honoring the technical Speaker
