**Alumnus batch 2011 -2015**

**21-8-2019.**

The students of Department of Biotechnology got an opportunity to interact with Mr.Vaishak MD. Alumnus batch 2011 -2015 on 21-8-2019. He is currently working as Senior Research Associate, Agri Genome Labs, Cochin. The session was interactive, as the alumni discussed about various topics in Biotechnology, Foreign exchange like how margins are decided by agents, Gene sequencing, Biotechnology job opportunity in India and other country. He briefed the students regarding Graduate Aptitude Test in Engineering (GATE), which is a stepping stone, not only for higher studies in the engineering discipline but also for various other avenues. He emphasized the importance of early preparation and thorough understanding of basic concepts for securing a good score and encouraged the students to opt for GATE as part of their career planning. He guided the students on approach towards GATE and responded to various queries related to the same. This session was more informative and interactive one.
