

DEPARTMENT OF TRAINING AND PLACEMENT  
REPORT

The Plastic Free Campus Initiate & Department of Management Studies jointly with the Department of Training and Placement conducted a Webinar to our faculties and students on the topic “How to Handle situation during COVID-19” on 13.05.2020. The guest speaker Mr. Yogees Kumar- Team Leader, L & T Infotech spoke about the future industry trends and the work place of future industries. About 62 faculties and students participated and benefited through this webinar.

The webinar focused on the impacts of lockdown such as decreasing economy, unemployment threats and Decreasing industrial values. Through the impacts he also added that students should be accepting virtual mode of work employment. He also encouraged students to work with start-up company to learn and acquire knowledge. He further added that students should do online internship for practical knowledge.
