REPORT FOR WEBINAR ON “MAKE YOUR OWN REUSABLE FACE
MASK AND PROTECT YOURSELF FROM COVID19”**

The Women Empowerment cell and Institutional Social Responsibility cell organised a webinar on **“MAKE YOUR OWN REUSABLE FACE MASK AND PROTECT YOURSELF FROM COVID19”** through zoom app on 11/05/20 from 5pm to 6.30 pm. Mrs.Jayashree Narayanan,Fevicryl expert of Pidilite Pvt Ltd was the trainer.Around 100 participants from Thailand,US,Tamilnadu,Kerala and Andhra Pradesh participated in the webinar. Dr.S.P.Sangeetha, Program Director and Vice Principal (Academics) welcomed all the participants and started the webinar. Mrs.Jayashree gave a live demonstration of making a trifold cotton mask with the available materials at home. There is huge demand for masks in the market and people cannot afford it every day due to the cost, this webinar helped even the common man to prepare his own cotton mask. All the participants thanked the organisers for arranging a very useful webinar during these lock down days
