

AARUPADAI VEEDU INSTITUTE OF TECHNOLOGY
TEACHERS DAY REPORT 2020

Every year Teachers day will be celebrated in a very grand manner in the campus. Teachers' Day was celebrated online this year across all departments, amid the Covid-19 pandemic restrictions, but this has not dampened the enthusiasm among students despite limitations.

Students had sent invitation to all faculty, Principal and Vice Principals and expressed their gratitude by conducting various programmes. Principal Dr.K.L.Shunmuganathan, Vice Principals and HoDs addressed the faculty and students. Besides these, celebrations an online competition was also conducted for faculty, students and alumni to post posters/drawings/poems about their Inspiring teacher.

Surprisingly there was huge response from the students and faculty, around 65 participants were there. Attractive cash prizes were given to the winners. All participants were given e certificates. The contest was coordinated by Dr.S.P.Sangeetha, Vice Principal(Academics).
