AVIT CENTRE FOR CONTINUING EDUCATION [ACCE]

A WEBINAR REPORT ON

AICTE INITIATIVES ON COMPREHENSIVE TRAINING POLICY FOR TECHNICAL TEACHERS

31st Aug 2021

AVIT - CENTRE FOR CONTINUING EDUCATION [ACCE] organized a "**WEBINAR ON AICTE INITIATIVES ON COMPREHENSIVE TRAINING POLICY FOR TECHNICAL TEACHERS" on 31st August 2021** through **ZOOM Platform,** and was hosted by Mr V.Prabhakaran, Assistant Professor (G-II)/BME. The webinar formally began with a warm Welcome Address, delivered by Dr S.P.Sangeetha, Vice-Principal [Academics]. Dr G.Selvakumar, Principal, AVIT delivered a Special Address. The webinar was embellished by the discourse of "Dr. Sanmuganeethi", Associate Professor, Department of Computer Science Engineering, National Institute of Technical Teachers Training and Research. The entire session was compered by Mrs. Vanitha, Assistant Professor (G-II)/ECE
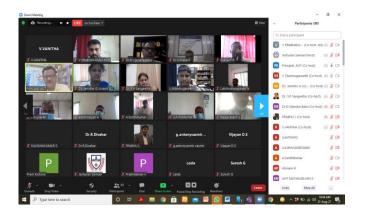

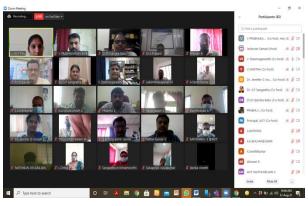

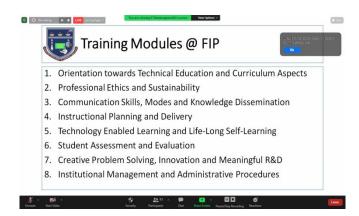

About the Webinar

The aim of the webinar was to enrich knowledge on AICTE modular courses with specific strategies which could be adopted effectively in Teaching-Learning Process. This webinar was also a beautiful discourse on Comprehensive Training Policy For Technical Teachers.

Inference from the webinar

1. 1. This webinar focused on the need for NITTT MOOC courses with learning outcomes, Instructional strategies, Assessment.

2. 2. It focused on the scientific instructional procedures and assessment with context-based teaching rather than adopting the content-based teaching approach.

3. It also emphasized the previous initiatives of NITTTR, Training Policies which aimed to transform all the faculty members to be versatile and self-sustainable in content discussions.

4. It also elaborated on Faculty Induction Program [Phase-I, Phase-II & Phase-III] for inductee teachers and also on the In-service Training Programme (ITP) with the specific requirements at various levels of the teaching career.

5. It also briefed the process of FIP Phase-II. The inductee teacher is expected to work under a mentor at the institute and also discussed the various reforms he/she could adopt in FIP training.

6. It also elaborated on the Phase-III process of FIP in which the teacher is expected to spend 2-3 weeks as part of training in an industry/research lab for their effective training.

7. The resource person discussed In-service Training Levels [ITP – Part-I & Part –II] ranging from Refresher module till the basic involved in education technology

8. He also emphasized all the modules of ITP from Essential Pedagogy till Accreditation and Ranking Framework with all the evaluation modes.

9. He emphasized Evaluation Rubrics and also on the Metrics involved in calculations.

10. He discussed problem-solving, Innovation and Meaningful R&D, and so on.

11. He enunciated the "Participant Registration" & "HIO registration" in the NITTT portal and the flowchart of the process flow.

12. The question session was interactively handled by the Resource Person.

The session was ended with a formal Vote of Thanks, delivered by Ms.Vanitha, Assistant Professor (G-II)/ECE, and Feedback also collected from all the participants for quality enhancement.
