Event Brochure

Two screenshots of an MS Teams meeting. The left screenshot shows a meeting in progress with a slide titled 'BENTLEY EDUCATION PROGRAM' featuring a woman holding a smartphone. The right screenshot shows a slide titled 'MODELING AND VISUALIZATION' with architectural images. Both screenshots show the meeting interface with participants' avatars at the bottom.

MS Teams Meeting Snapshots

Department of Civil Engineering organized a Webinar on “Webinar on Influenced by young minds - Bentley Design Challenge” for II, III and IV year UG students on 2nd June 2021 through MS Teams. Dr. R. Divahar (HOD- Civil Engg.) delivered the welcome address and expressed his word of gratitude to the guests and the gathering. Dr.S.P.Sangeetha, Vice-Principal (Academics) delivered the special address and briefed the gathering regarding significance and necessity of the program. The chief guests Mr.Arun Kumar

DEPARTMENT OF CIVIL ENGINEERING

and Mr.Suvam Chatterjee was introduced to the gathering by Dr.P.S.Aravind Raj, Associate Professor, Department of Civil Engineering.

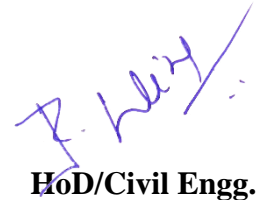

The resource person Mr. Arun Kumar expressed the advantages of the Bentley systems software to the students and faculty members. He explained about the free software access for the students and professors. A brief tour of the Bentley systems' current trend and their initiations on student development education programs were given by a short Video presentation.

Mr. Suvam Chatterjee explained and demonstrated the OpenRoad Software package of Bentley in detail to the students and participants. All the features and advantages of the OpenRoad and other software packages of Bentley with the students

The event was concluded with a questionnaire session among the participants and guest speaker. Dr.P.S.Aravind Raj, Associate Professor, Department of Civil Engineering delivered the vote of thanks.
