

DEPARTMENT OF BIOTECHNOLOGY
REPORT ON BIOTECHNOLOGY CAREER DEVELOPMENT PROGRAM FOR FIRST
YEAR STUDENTS
20.05.2021

The career development program was organized for the first year students on 20.05.2021 by Department of Humanities and Sciences in association with Department of Biotechnology. The gathering was welcomed by Dr. Jennifer to the webinar on “Career opportunities in the field of Biotechnology”. She gave a brief overview of the essence behind organizing this webinar and motivated the first year students towards this career opportunity program. Dr. R. Devika, Head of Biotechnology department introduced the Speaker Dr. SundarBalakrishnan, Managing Director, Natur-Tec-India to the session. Session was then taken over by Dr.SundarBalakrishnan for around 30 students, who gave a detailed view about the career opportunities prevailing in the field of Biotechnology after their graduation. He started with the color code for each stream such as blue for marine, green for plants, red for pharma, white for industries, yellow for food, grey for biodiversity and environment, brown for land and dessert, violet for law and ethical issues and dark for bioterrorism. Then he covered about Bioplastics and its applications along with the waste management of plastics. The session was ended by Dr. Jennifer by giving vote of thanks and the session was found to be very useful for the budding engineer’s in getting wide knowledge about the career after their graduation.
