CAREER OPPORTUNITIES SERIES

REPORT -2

On the 17th of May 2021, between 10:00 a.m. to 11:30 a.m., a webinar was held on, “How to make yourself perfect for biomedical company”. The departments of Humanities and Science and the Department of Electronics and Communication hosted this webinar in collaboration and a total of around 75 students attended the webinar. The resource person was Shri. Ankit Singh, an alumnus and one who is currently an area service manager who is associated with Stryker from Gurugram, Haryana was introduced by Dr Jennifer G Joseph, Professor and Head of Humanities and Sciences & convenor of the series and also by Dr.L.K. Hema Professor and Head, department of ECE & BME. He spoke on the importance of every career and how every resource from a pin to an elephant in the bio-medical industry can be used to the fullest if they are in their right places. He spoke on every aspect that students struggle with and he went on to address the issue that how being brilliant academically is not the only aspect of succeeding in each career as we climb the ladder in our careers. He spoke on the pathway in a bio-medical career ranging from personal experience, personal development, adaptability etc. He also pointed out that the session was not just meant for the bio-medical students but for everyone. He addressed many issues that students struggle with and also had a question-and-answer session during the last ten minutes during which a few students asked him a few questions which he was happy to answer in a way in which the students could relate to. The bottom-line of his speech was “Do everything in the time allotted to it and you will struggle lesser” The students thanked him for his wonderful session and expressed their gratitude to the speaker. On the request of the students, Mr. Ankit Singh asked the authorities to share his contact details, so that students could contact him for further queries and assistance. Finally, Dr. Jennifer G Joseph and Dr. L.K. Hema thanked the chief guest for his valuable time and guidance to the students. Dr. Jennifer G Joseph in her vote of Thanks also placed on record her gratitude to the principal. Dr. K.L. Shunmuganathan for being instrumental in arranging this Career Opportunities Series.
