After a brief introduction about the guest by K.S.Kavitha Kumari,AP-II, the session was taken over by Dr.M.Arun Bhaskar. He started the session with an introduction to the Geographic Information System and usage of GIS in Electrical Utility were explained. He gave an insight about recent project about power flow measurement in Nandanam Substation and Nigeria Substation.

There were about 83 participants from various college that include students, faculties. The session was very useful to all the participants and was concluded with a vote of thanks proposed by Mrs.Poornima, AP(II) / EEE.

Our heartfelt thanks to Dr.M.Arun Bhaskar , Guest Speaker for his keynote address and for offering solutions to questions raised by participants.

We would like to sincerely thank the Management, Principal and HOD for having given us an opportunity to organize a seminar on the subject topic.
