

## Report on “Ethics and Human Values”

Date: 22.09.2021      Time: 11.00am      Webinar Platform: Microsoft Teams

The Department of Electrical and Electronics Engineering and Institution of Engineers India jointly organized a webinar on “Ethics and Human Values”. The session was handled by Mr. John Premkumar, Director, JENESIS Controls India Pvt Ltd, Coimbatore.

It was a session about Professional Ethics and Human Values mainly dealing with appearance, manners, ethics to be followed at work place. The session started with a welcome note by Dr. L. Chitra, HoD/EEE, the Presidential address was delivered by Dr. G. Selvakumar, Principal and the introduction of the resource person by Ms. S. Jensie Anita, AP/EEE. The resource person started the session with the meaning of Greek word “Ethos” meaning habit, custom or character.

The resource person emphasized greatly on the personality traits of an individual at work place, functions of attitude, organizational ethics, core moral values and communication. And the session ended with three key take away. They are:

- Without Ethics and Moral Values you can build or start a company but it won't last Long
- Investing in a good diverse and energetic team is the sure way for success

- Work Life Balance is crucial for Successful Career or Life.

## Ethical Design

There were around 40 participants and the webinar was attended by the Faculty members of EEE and students of the Electrical and Electronics and Computer Science Engineering departments. The session was formally concluded with a vote of thanks by Ms. P. Poornima, AP-II/EEE.
