Sustainable Energy towards Climate Change

Prof. Chetan Singh Solanki, Prof of IIT Bombay, known as the **“Solar man of India”** visited AVIT in Energy Swaraj bus on 21.4.2022 as a part of Energy Swaraj Yatra of his 10 years plan from 2020 to 2030. The Environmental students club presented the green measures taken at the AVIT campus.

The Renewable Energy club was inaugurated formally by Prof. Chetan Singh Solanki and the logo of the club was released. The chief guest gave a special address on Sustainable Energy due to climatic change. The students were allowed to get into Energy Swaraj bus to have a glimpse of the bus.
