National Girl Child Day 2023

The NSS Unit of AVIT ISR Cell Participated as viewers NGCD 2023 Program on 24.01.2023 at their respective places. “National Girl Child Day 2023” is observed on 24 January to spread awareness about the inequalities faced by girls in Indian society, and also to promote awareness about the rights of the girl child and the importance of female education, health, and nutrition. NSS Female volunteers participated as viewers in the National girl child day program at 4. 00 pm at their respective places.

The poster features a red background with white text and graphics. At the top, it displays the AVIT logo, Vinayaka Mission's Research Foundation logo, and accreditation logos for NAAC (A Grade) and DSIR. Below the logos, the text reads: "Institutional social responsibility cell", "NATIONAL SERVICE SCHEME", and "24th Jan 2023". The central graphic is a white silhouette of a girl kneeling and blowing a dandelion, with several white dandelion seeds floating away. To the right of the girl, the text "National Girl Child Day" is written in a white box, with "24 January" below it. At the bottom, a white box contains the quote: "When girls are educated, their countries become stronger and more prosperous."
