

Report on Painting Competition

The painting competition was successfully conducted on 27.02.23 by AVIT Environmental Students Club and Department of Humanities and Science in association with Institution Innovation Council of AVIT and India's G20 Presidency. The participants of the event are from 1st year, 2nd year, 3rd year of all the branches. The total numbers of participants were more than 60. The theme of competition was "One Earth, One Family, One Future", Sustainable Technology and "Vasudhaiva Kutumbakam". The students showed more interest in the painting on various topics. Time duration for the competition was 2 hours. The students were able to exhibit their excellence through the painting. The best three paintings were awarded with the certificate by the Jury members.
