Report on World Ozone Day 2022

Name of the Event : Power point presentation competition

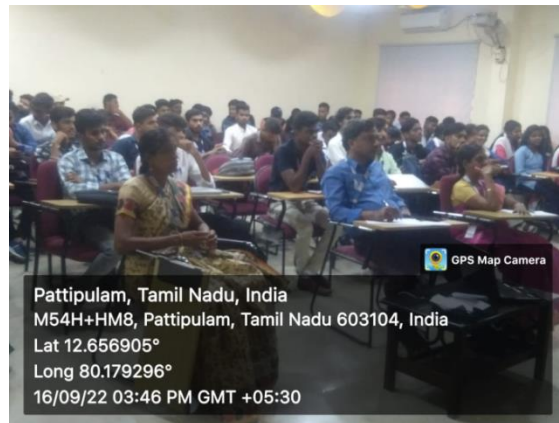

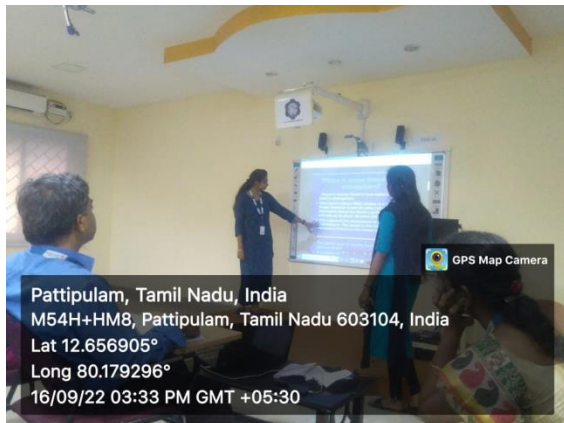

Date & Time : 16.9.2022 & 2.00 pm

Organized by : AVIT - Environmental Students Club and Department of Humanities & Science

Faculty Coordinator: Dr.R.Nagalakshmi, Associate Professor / Chemistry, AVIT

Venue : Auditorium

Participation : Environmental Students Club members, AVIT

AVIT- Environmental Students Club organized a “Power point presentation competition on 16.09.2022 under the theme of Montreal Protocol@35: Global Cooperation protecting life on earth. Ozone plays important role in the protection of environment from the UV Radiation. More than 35 students presented their idea to protect the ozone from its depletion. This program created the awareness among the students to preserve the ozone for the better future. This event was conducted by the Environmental Students Club Coordinator under the support of Principal **Dr. G.Selvakumar**, AVIT; Vice principal (Academics) **Dr. S.P. Sangeetha**, The best three presentations were selected and given the prizes.
