

REPORT ON NO IRON DAY

Date : 04.01.2023

Mode : Online

Target Audience : Everyone in the institution and people associated with them

As the first Climate Correction day challenge No Ironed Clothes Day was celebrated under the banner of Aadhavan Energy Swaraj Club, AVIT Pauyanoor. Students, faculties and staff members from the college participated and wore the clothes which were not ironed. The aim of the event is to take a constructive step towards energy conservation and reduce the carbon foot prints. More than 2719 people in association with the institution participated in the event which saved around 543 Kg of CO₂ is saved. The selfies were uploaded in the Energy Swaraj Club portal. The event was coordinated by V.Rattan Kumar, AP(II) EEE and Ms.A.Saskala, AP(II) / Biotech. Student coordinators for the event were Mr.M.K.Manobala, III / MECT, Mr.Deepika S, IV / Biotech.

Your action will be saving CO₂ emission and hence saving environment.
Now you can start inviting others to take part in this CCD Challenge on 4th January, encourage them to not wear ironed clothes.
Share this unique link to your other people and organizations and encourage them to register for CCD challenge. This dashboard will show you how many people you have encouraged through sharing unique link.

Number of people registered through you for 4 th January CCD Challenge: 2,719 Participants	Approximate amount of CO ₂ emission saved : 543 Kilo grams
--	---

Save CO₂ emission and Get Appreciated!

Thank you very much for being our Partner Organization to promote CCD Challenge. Your efforts are helping us all in reducing CO₂ emissions. Reach out to more and more people and help to save more CO₂.

To recognize your efforts and contributions, we would provide you e-certificates on achieving following milestones:

- Silver Certificate (Organization) - On accumulating 500 kg of CO₂ savings
- Gold Certificate (Organization) - On accumulating 1000 kg of CO₂ savings
- Diamond Certificate (Organization) - On accumulating 2000 kg of CO₂ savings
- Special certificate and gift - On accumulating 10,000 kg of CO₂ savings
