

### Eye donation Fortnight 2023

The gift of the eyes makes people who do not have eyes to reflect the beautiful nature. It is very important that people have the eye to see the environment and the environment around them. There are thousands of people in India who do not have the eyes to see the world. You must have the eyes of someone who has the right to look at them for their bright future. The goal of the national eye donation fortnight. Encourage people to share their eyes after death. Educate people that eye donation does no harm after death. Spreading knowledge about the need for an eye transplant. The National Eye Donation Fortnight Day is celebrated from the 25th of August to 8th of September. It aims to raise awareness about eye donation in India and to encourage people to take a closer look at the underprivileged. This encourages people to come up with all the ideas, motivating them to turn to those who have no eye or who have lost their sight in an accident. FAHS, Department of optometry AV Campus conducted National Eye Donation Fortnight Day pledge ceremony on 28.08.2023 at 11.30 am AV Campus. More than 150 students participated and took pledge "Hereby I pledge to donate my eyes after my death for the purpose of transplantation".
