

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
INDUSTRIAL VISIT REPORT

05-05-2023

INDUSTRIAL VISIT TO CSIR-CLRI AT ADYAR, CHENNAI.

Faculty In-charge: Mr. J. Vijay, Assistant Professor (G-II) / ECE

No. of Students : 11 (II ECE – 02 & III ECE -09)

On 05st May, 2023, we visited CSIR- Central Leather Research Institute (CLRI), CHENNAI. CSIR-CLRI is 75 years old and the only institution in the world who has had the fortune shaping an industry through R & D. The One Week One Lab (OWOL) program of CSIR was organized to ignite the minds of students to look for opportunities through tech ventures.

They organized a Leather Expo that would be a great opportunity for ECE Students to gain immense knowledge about the materials which is used for the

manufacturing of instrumentation.

It was a great experience in CLRI and the organizing team are friendly and our students were welcomed warmly. A Research Guide was allotted to us to shown the laboratories and other areas and the students were taken to see the live operation.

Finally, the team clarified the queries raised by our students and after delivering the vote of thanks our Visit was successfully completed.
