Tree Plantation Drive

Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees help to reduce the level of CO_2 . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. The NSS unit of Avit ISR cell jointly with VMLS conducted tree plantation drive at VMC Campus on 27.09.2025. 100 saplings planted by NSS Volunteers.
