## Event Report

### Career Guidance on IT Expectations

As part of the Student Induction Program 2025 at AVIT, an expert talk was organized on 8th August 2025 at the Indoor Auditorium, AVIT. The session was titled “Career Guidance on IT Expectations” and was delivered by Mr. K. M. Rajesh, Senior Technical Lead, EPAM Systems Ltd. The program began with a formal welcome, after which the Principal, Dr. J. Janet, honoured the guest with a memento, and the Vice Principal (Administration), Dr. L. Prabhu, presented a shawl as a token of respect and appreciation.

In his talk, Mr. Rajesh provided valuable insights into the current trends and expectations in the IT industry. He highlighted the essential technical skills, problem-solving abilities, and adaptability required for students to excel in the competitive job market. He also stressed the importance of continuous learning, effective communication, and teamwork as key factors for career growth in the IT sector. By sharing his own professional experiences, he gave students practical guidance on bridging the gap between academic learning and industry demands. The session was highly interactive and motivating, helping first-year students understand the importance of preparing early for their careers. The guest's words encouraged them to set clear goals, focus on skill development, and embrace challenges as opportunities for growth. The event concluded with expressions of gratitude to the guest and dignitaries, marking the session as an inspiring and informative part of the induction program.
