## DEPARTMENT OF BIOTECHNOLOGY

### ALUMNI WEBINAR SERIES- 16/6/21

#### TOPIC: AN INSIGHT ON MEDICAL CODING AND SCOPE

The purpose of the webinar is to bridge between the Alumni and the institution so as to take the institution to the next level and also to motivate the students who are currently studying. The first day of the Alumni webinar series started at 10AM on 16/6/21. The moderator Dr. J. Madhusudhanan, Associate professor, elaborated the agenda of the webinar. Dr. R. Devika, H.O.D welcomed the gathering and addressed that it was a proud moment to see the alma mater holding different position. Dr.B.Prabasheela, Associate Professor, introduced the speaker **Ms. M.G. Revathi**, Senior Coder, VEE Technology Pvt, Ltd to the participants. Then the session was handed over to the speaker. Ms. Revathi, threw lights on what coding is, challenges in coding, basic requirement for coder and how to equip themselves, tips to crack exams and interviews. It was really an eye opening session for students, as many of the biotechnologists have opportunity in the coding field. It was then was opened for interaction and the students actively participated. The session ended with the formal Vote of thanks by Dr. R. Balachandar, Assistant Professor (Gr II) .
