INDUSTRIAL VISIT REPORT**

Industrial Visit to Indira Gandhi Centre For Atomic Research,Kalpakkam

17-02-2017

One day industrial visit to IGCAR was organized by The Department of Biotechnology for the final year and pre final students on 17th February 2017. It was a privilege moment for the students of Biotechnology to visit a prestigious centre which is known as 2nd largest Atomic Research Centre in India situated at Kalpakkam, Chennai. All were excited about the visit. The students were accompanied by two staffs Dr. B.Prabasheela and Dr. S.Vinoth. The students visited various laboratories and also given detailing about various instruments like biodosimetry, biofouling, XPS (X-ray photoelectron spectrometry), SEM (scanning electron microscope), 2D gel electrophoresis for protein, Atomic force microscope, radiology safety operator system, whole body counting and alpha, beta, gamma counting.
