Report on
TIVA CLUB
Tech Fest – 2023
9th & 10th March 2023

The objective of the Tivaclub is to bring the students of various streams from different institutes on a common platform where they are motivated and encouraged to share their knowledge and come up with innovative ideas. It also aims to exhibit the talents and skills of the aspiring Engineers both in Technical and Non-technical ways. Tech fest events also provide a great opportunity for us to give back to thecommunity. We can share our knowledge and experiences with others, mentoraspiring entrepreneurs, and help to create a more inclusive and diverse techcommunity.Tech Talk - 2023 was organized on 18th March-2023 under roof of Tiva Club.

In order to meet the challenging needs of a corporate world environment, it is not just sufficient for a student of Tech Fest to be supported theoretically; they must also be exposed to the outer world in a dynamic way to face practical situations. The inaugural ceremony was held on 9th March, 2023 and competitive events of TIVA Club was started and continued with 10th, March 2023, to enrich and empower the students with academic and technical excellence.
