Student Induction Program -DEEKSHARAMBH

I Year Batch 2021-2022

Objectives:

1. The objective of the Student Induction program (SIP) is to serve as a bridge between the school and college. This will help the students to have a smooth transaction from school life to college life.
2. Induction program will help students to have better perspective about the course and program outcome.
3. It will create an environment to understand and accept fellow students.
4. It will also promote early student integration with faculty, mentors and the institution.
5. SIP will create a rapport with senior students and Alumni.
6. Informative learning about campus life(cultural, sports and entertainment facilities), safety, security and health
7. Sessions on UHV will promote values right from the initial stage of campus life.
8. SIP will introduce students to green campus initiative of AVIT campus, thereby promoting environment consciousness.
9. SIP is an opportunity to introduce the various clubs and associations in the institution and campus with focus on NSS, Rotary etc.

FDP

A Faculty Development program (workshop) for the SIP members on designing and conduction of SIP has been planned in the month of October (12/10/21).

Campus Orientation Program

A campus orientation program is planned for the students. Each mentor with the respective group of students will take the students on a preplanned route through the campus showcasing the various facilities like, department labs, centers of excellence, hostels, library, research centers, incubation center, canteen, administration and accounts sections, common rooms, stores etc.

Tours and Insights

A special visit to the local cultural heritage sites, Mahaballipuram and Tiger caves is planned to expose students to the rich culture and history of the local community. In addition, students will also be taken on a tour to Connemara library and Madras Museum to expose them to culture through books and artifacts.
