Online Session in MS Teams

Aarupadai Veedu Institute of Technology organized a webinar on "Monitoring Civil infrastructure in the seismic prone area for better safety and infrastructure resilience" on 11.11.2022 through online mode. Dr. Chandramouli S V, Consultant, (Structural, Advanced Rehabilitation Technology & Structural Health Monitoring), SCM Consultancy and Engineering Services, Bangalore was the resource person of the webinar. Dr. P. S. Aravind Raj, coordinator of the event, delivered the welcome address and expressed his word of gratitude to the guest and the gathering. The participants of the event are from 2nd year, 3rd year and final year of B. E. Civil Engineering, first year of M. E. Construction Engineering and Management and faculty members of Department of Civil Engineering. The total number of participants is 53 which includes faculty members and students.

The speakers started the session with basic terminologies of health monitoring of civil structures and the state-of-the-art technologies and equipment used in the field in recent

days. The session was then taken towards more technical trends, and the detailed scope, methodology, cost analysis, post effects of rehabilitation, etc., are explained by the speaker with his intense field experience and along with few case studies.

The event was ended with a very good interaction and Questionnaire session between the resource person and the students. Dr.R.Divahar, HoD/Civil Engg., Department of Civil Engineering delivered the vote of thanks.
