REPORT ON ANANDHA PUNNAGAI

There's nothing more satisfying than seeing a happy and smiling child. Rotaract Club of AVIT Sponsored by Rotary Club of Madras, Rotary International District 3232 has launched a new project titled " **ANANDHA PUNNAGAI** " which aims at celebrating kids birthday every month and make them happy and blessed. This project was started from December 2019 and it will continue further with a logo of " Kids are little Heaven on Earth". Every month we will celebrate the birthdays of all kids for that month by cutting cakes, playing games, chocolates, gifts and Refreshment at a orphanage located at Paiyanoor. The kids are also asked to plant a tree during their birthday celebrations. This month we have celebrated the birthdays of two pearls **Ms.Jothilakshmi** and **Ms.Saranya** on 19th December, 2019. The smiles on the faces of kids while they were cutting the cakes was so beautiful which suits very well to our project title "Anandha Punnagai"

The most precious sight, the smile of a kid
The most precious sound, a kid's laughter
