

AARUPADAI VEEDU INSTITUTE OF TECHNOLOGY

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

ENERGY LITERACY TRAINING

Name: Mr. M. Ponraj

Designation: Student / III Year Mechatronics

As an energy literate, I didn't only think and teach others about to save the energy resources but also doing it in real life with the aware as whenever I observe at anywhere. I didn't have this much interest in saving energy but after attending the energy swaraj program, I have been really changed.
