DEPARTMENT OF BIOTECHNOLOGY

ENERGY LITERACY TRAINING

NAME: S.DEEPIKA

DESIGNATION: STUDENT

DEPARTMENT: BIOTECH/III YR/VI SEM/AVIT

Energy literacy training aims to provide knowledge about energy, its generation, consumption and wastage. It helps to understand carbon footprint and its impact on the environment. This Energy Literacy Training comprises 12 modules. Each module is of 10-15 minutes, with a total duration of 4-5 hours. It helps to avoid and minimize energy usage, how to become carbon neutral, clear misconceptions around solar energy and ways to adopt solar energy solutions. I'm proud to be energy literate.
