Report:

Department of Mechanical Engineering and Indian Institution of Production Engineer's (IIPrE) TN chapter arranged a visit to Vanjax Sales Pvt. Ltd. manufacturers of hydraulic jacks at Sriperumbudur. Around 60 students of II and III year B.E. Mechanical Engineering students visited the industry and had a thorough knowledge of methods of manufacturing of material handling equipments .

Mr.N.Lakshminarayanan, Mr.K.Surendra Babu, and Mr.A.Senthilkumar accompanied the

students during the visit.

Outcome:

The students had gained a thorough knowledge of material handling equipments of various designs used for different applications. Students were able to relate the theoretical concepts of hydraulic material handling equipment with the manufacturing of them in the industry. Apart from that the students also were introduced to energy utility in a industry. The methods by which the sales and servicing of equipments were also briefed by the industry experts.
