In association with Energy and Fuel Users' Association (ENFUSE)

Mech week 2020 - Webinar series – “Basic - Advanced Hydraulics” on 06.05.2020

Mr. Ravichandran, Managing Director, Island Hydraulics.

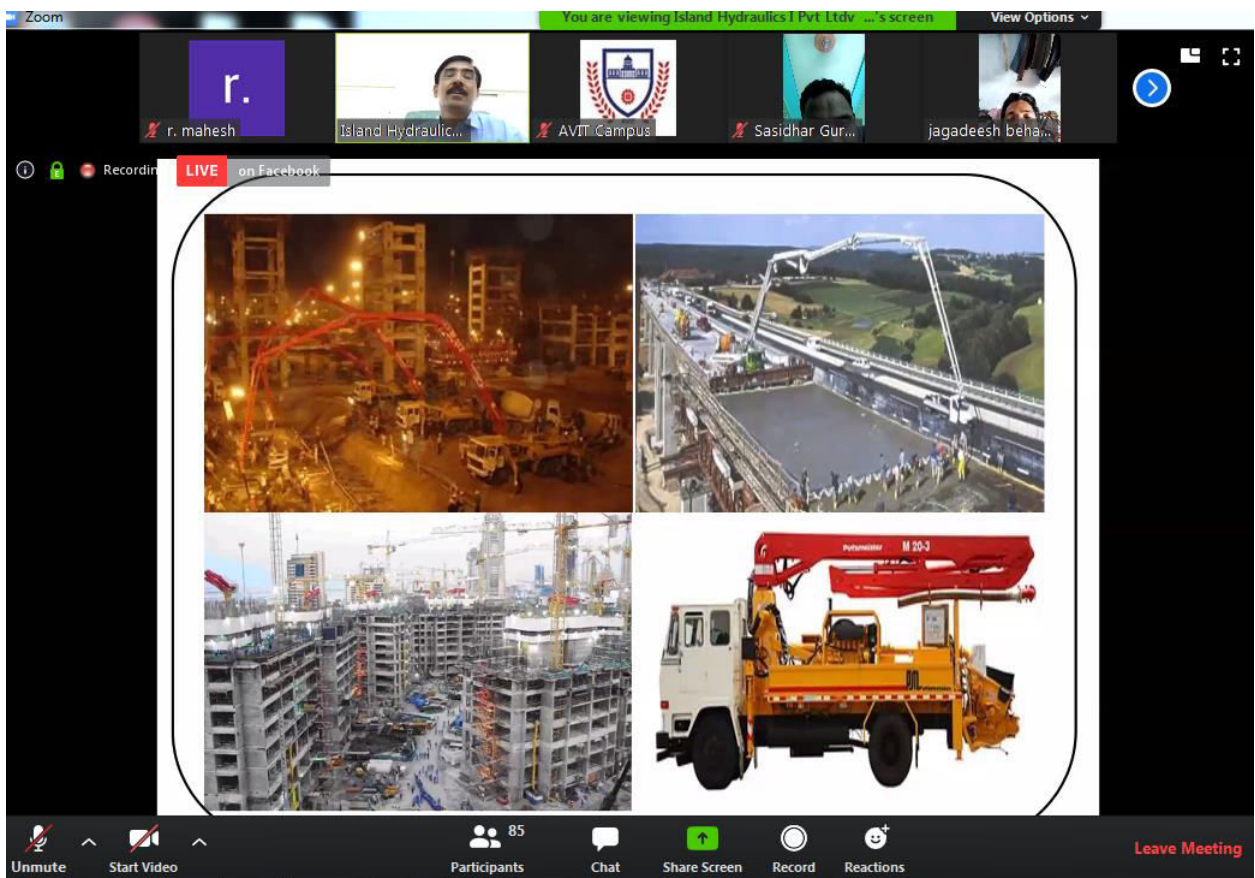

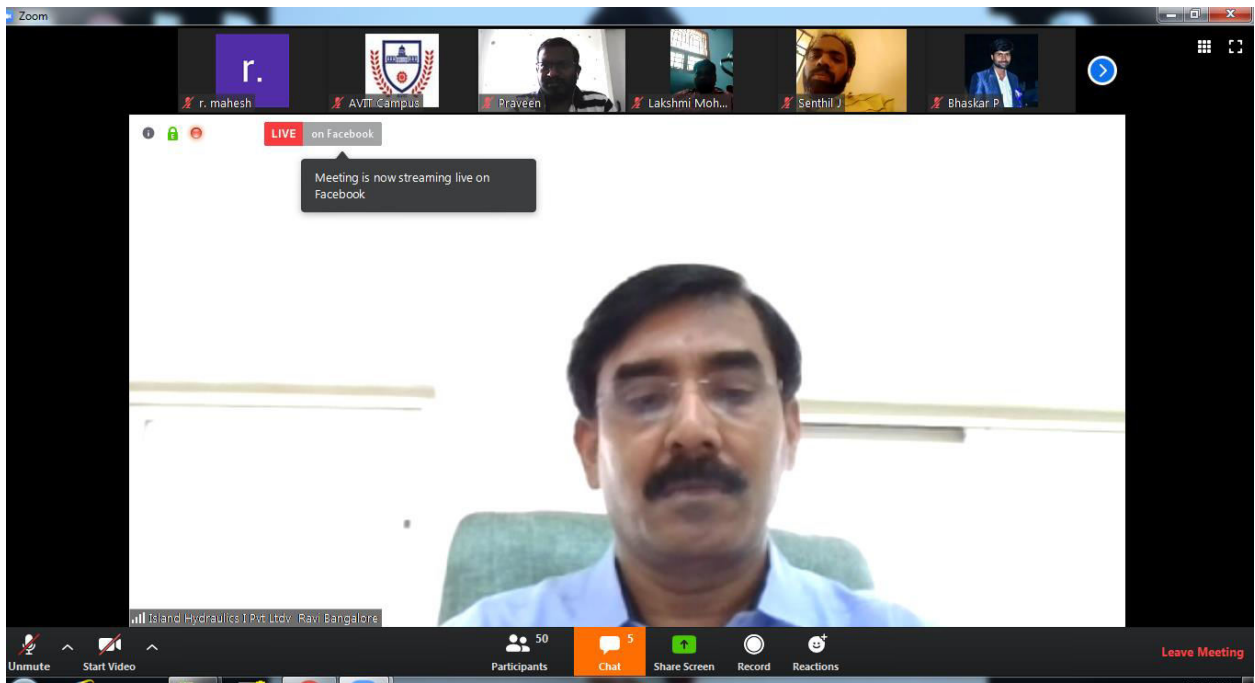

Department of Mechanical Engineering , Institution Innovation Council (IIC) and Centre for Industry Relations – CIR, AVIT in association with Energy and Fuel Users' Association (ENFUSE) jointly organized a webinar titled “Basic - Advanced Hydraulics” on 06.05.2020 for the Faculty and students of Engineering and Technology of all Branches. The total no. of registration was 207 Participants, out of which 126 - Internal Participants & 81 were External Participants. The registered participants include 62 Faculty Members / Research Scholars, 139 Students & 6 Industry Professionals.

The Expert speaker Mr. Ravichandran, Managing Director, Island Hydraulics, had briefed about the importance of Forces acting into the piston, Differences between positive displacement and non-positive displacement , Construction of Pumps , Various control valves required for proper functioning by the hydraulics system, primary function of fluid in an fluid power system and advantages of hydraulics.

Webinar Outcome:

The lecture was informative and technical oriented. The guest speaker explained the concept of Open loop and closed loop system, Working of valves and pistons in Automobiles, Agriculture machines and Offload vehicles, Construction of Pump and designing of cylinders in brief. He also emphasized the importance of recent trends in Hydraulics and Automations.

Detailed description: This image shows a Zoom meeting interface. At the top, there are four video thumbnails: 'r. mahesh', 'Island Hydraulic...', 'AVIT Campus', and 'Sasidhar Gur...'. The main content area displays a collage of hydraulic equipment. The top row includes a 'Mechanical Hoist 2-Post lift' with a car on it, a red scissor lift with a car on it, and a yellow scissor lift with a car on it. The middle row shows a blue scissor lift with a car on it, a red scissor lift, and a white roller conveyor. The bottom row features a silver car on a red lift, a red scissor lift, and a white roller conveyor. The Zoom control bar at the bottom shows 'Unmute', 'Start Video', 'Participants 82', 'Chat', 'Share Screen', 'Record', 'Reactions', and 'Leave Meeting'.
