Both the parties hereinafter individually to be referred as "Party1" and "Party2" respectively.

BACKGROUND

Party 1

Vinayaka Mission's Research Foundation (VMRF(DU)) had its inception in the year 1981 with the establishment of the Thirumuruga Kirupananda Variyar Thavathiru Sundara Swamigal (TKVTSS) Medical Educational and Charitable Trust. In 1982, the Founder-Chairman, Dr.AShanmugasundaram instituted the Vinayaka Mission's College of Pharmacy in Salem, the pioneer institution of Vinayaka Missions. In the year 2001 the "Deemed to be University" status was conferred on Vinayaka Missions by The Ministry of Human Resources Development, Government of India, with the recommendations of the UGC Under Section 3 of the UGC Act, 1956 as an acknowledgement of its excellence, satisfaction of the highest level of academic standards and best infrastructural facilities provided to achieve pre-eminence in education and by virtue of this recognition Vinayaka Missions transcended to become Vinayaka Mission's Research Foundation (VMRF) as the 48th University in India. It has 13 colleges and 9 Schools including 3 Medical Colleges, 2 Engineering colleges, 1 Dental College, 1 Pharmacy college, 2 Physiotherapy Colleges, 3 Nursing Colleges, 2 Arts & Science college/School, 5 Schools of Allied Health Sciences etc., under the university in four campuses in Salem, Kancheepuram Districts, in Pondicherry and Karaikal. All the Programs offered by VMRF(DU) are approved by respective statutory authorities. VMRF(DU) is ranked in 101-150th band in NIRF under University Category and it is also NAAC accredited.

The University has buildings spreading over 32 lakhs sq.ft.at various campuses with state of art facilities. With many faculties within the University, it focuses in Interdisciplinary and Multi-Disciplinary Research as a main forte. The Medical colleges in Salem, Pondicherry and Karaikkal with a collective strength of 2000 beds are serving the rural population tirelessly with their healthcare activities. More than 30 villages have been adopted for the medical care and other health services. Satellite medical centers have been setup to serve the village population. Virology Research Labs have been setup in all three medical colleges with RT-PCR testing centers approved by the respective Governments for testing SARS-Covid virus. All these labs are accredited by NABL. Vinayaka Missions Homeopathy College and Hospital have been accredited by NABH. Both medical colleges in Karaikkal and Pondicherry have been accredited by NABH at the entry level. There are 46 Research centers / Laboratories in the University covering the thrust areas which include Biochemistry, Microbiology, Food Science and Technology, Virology, Alternative Energy, Environment, Pharmacy and Biotechnology, Biomedical Engineering, Artificial Intelligence, Internet of Things. Two Engineering colleges in Salem and Kancheepuram Districts have got MSME recognized Business Incubation centers which promote Entrepreneurial activities and startups.

Party 2

Kriatec Services has been established by Top Notching Industry Professionals to make the Cost Saving Techniques and Benefits available to the Industries through Software Products, In-Process Probes, Cutting Tools and Consultancy Services in CNC Manufacturing Applications. Kriatec Services understood the need for seamless integration between Virtual CNC Machining Software – Edgcam, U.K, Cutting Tools, Fixture / Gauge Design and Readymade Trained Engineers availability for immediate employment for Mechanical Engineering Stream. Kriatec Services (P) Ltd offers

Industry based Skill Development Program to Educational Institutes for Readymade Engineers availability to the various core Mechanical Industries.

Party 1 (VMRF) approached **Party 2 (Kriatec)** with its vision to provide multiple trained engineers to Industries and a concept of "Online skill Development Student Portal" to cope up with the increased demand for the skilled engineers in the industries in the field of New Product Development – CNC Manufacturing Application. Party 2 (Kriatec) also expressed its willingness to establish the tie up with the leading Educational Partner.

Kriatec Services (P) Limited form part of the National Educational Alliance for Technology (NEAT) is a Public-Private Partnership model between the Government of India (through its implementing agency AICTE) and the Education Technology Companies of India.

NEAT-AICTE

NEAT aims to bring the best technological Products in education pedagogy on a single platform for the convenience of learners. Technology Products using Artificial Intelligence for customized learning or e-content in niche areas having highly employable skills would be identified for showcasing on the portal.

Proposed Activities under the Agreement:

Collaborations to enrich the practices of Teaching-Learning and employability of the students of the institution. To promote the above the both organisations came forward to collaborate in producing employable Mechanical Engineering Graduates.

Both the organisations agreed to collaborate on the following aspects.

1. To undertake various skills Development On-line training courses of prominent and latest technologies for Mechanical Engineering Students. To share and develop the various skill sets based on Students interest related various unforeseen Core Mechanical Industries Department like Production Engineering, Quality, Vendor Development apart from Product Design / R & D and Production department
 - New Product Development (NPD)-AICTE Evaluated Course
 - Fixture Design -AICTE Evaluated Course
 - GD&T-Geometric Dimensions& Tolerance
 - QMS-Quality Management System
 - 7 QC- 7 Quality Control
 - Edge cam - Milling and Turning
2. Apart from Skill Development courses, Party 2 will also support in Student Placement Assistance, Internship, Training Programmes, Seminar or Webinar, Industrial Visits, Expert Lectures and Employability Enhancement courses from time to time.
3. The Course fees, other fees such as Portal access fees and any other fees would be finalized by both the parties before the commencement of course.
4. **Party 1 and party 2** should jointly launch the "Online Student's skill Development courses created with the intention to train the students of VMRF.
