## Inference from the webinar

The FDP gave clarity about the characteristics of students in this generation, known as Gen: Z. The Resource Person, Dr. Shifana Fatima, Professor, School of Architecture at Dar AL – Hekma University in Saudi Arabia enunciated the teaching and learning tools - Slido, Kahoot and Socrative – and how the tools could be successfully handled in the mixed class atmosphere. According to her, the said tools are highly conducive to handling classes as well as making the students remember terminologies learnt in different topics.

Doubts of the audience were clarified by the Resource Person during the question session.

A Vote of Thanks was delivered by Dr Prem Kishor S K, Assistant Professor of English, AVIT. He thanked the Principal, the Vice – Principals of Academics, Administrations & Part-time Studies, the Management, Heads of the Departments and the faculty members for making the webinar a successful one. He offered special thanks to the Resource Person, Dr. Shifana Fatima, Professor, School of Architecture at Dar AL – Hekma University in Saudi Arabia. At the end of the session, a feedback link was shared in the chatbox.

The webinar on “**Gen Z: Rethinking Teaching and Learning Strategies**” ends at 12.40 p.m with the National Anthem.
