ENGINEERS DAY CELEBRATION

13/09/2019

Faculty members: All faculty members

Students: All students from various departments

Overview of the seminar: Summary of the Engineering opportunities in the Industrial sector

Sir M . Visvesvaraya was also the Diwan of Mysore from 1912 to 1918. He was the chief engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore as well as as the chief designer of the flood protection system for the city of Hyderabad. Due to his outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955." He was also awarded the British knighthood by King George V, and hence has the honorific "sir". The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

Aarupadai Veedu Institute of Technology has celebrated Engineers Day on 13/09/2019 organized by Department of Biotechnology as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). This event is planned to create awareness to students and faculties on Role of engineers in the development of our Nation. On this day, Dr. K. Manivannan, Indian society for Technical Education (ISTE), New Delhi gave a lecture on “ INDUSTRY - ACADEMIA COLLABORATION-

INITIATIVES, ISSUES, OPPORTUNITIES AND STRATEGIES” Around 200 students and faculty members from various departments had participated.

The inaugural function started with Prayer song followed by welcome address by Dr S P Sangeetha, Vice Principal, Academics. The welcome speech was followed by the lighting of lamp by the dignitaries and speaker.

Dr. S A V Satya Murty, Campus Director, honored the Chief Guest with momento and shawl and he emphasized the budding engineers role to nation and his responsibilities to sustainability in the world. Dr K L Shanmuganadhan, Principal, AVIT gave a Special address entrusting the present scenario of the competitive world and how to face and focus on ones attitudes and attain their goals. Dr R Devika, ISTE coordinator and Head of Biotechnology introduced the Chief Guest to the gathering.

The Session was started with the speaker's key note address. Dr. K. Manivannan, Vice President, Indian society for Technical Education (ISTE), New Delhi elaborated the role of the young minds to the society and presented a lecture on "INDUSTRY - ACADEMIA COLLABORATION- INITIATIVES, ISSUES, OPPORTUNITIES AND STRATEGIES" which was an eye opening session for the gathering and it ended with few queries from the students side.

The Engineer's day celebration was concluded with Prof P. Rajsekeran, Vice Principal (Admin)'s, vote of thanks and National Anthem.
