DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Department of Electronics and Communication Engineering of AVIT organized a Guest Lecture Conduct by our Alumni Student Mr. VelMurugan, Project Associate, IIT Madras, as a part of the Department Alumini Association on 24-10-2019.

The lecture was attended by 100 students and 3 Faculty members of Electronics and Communication Engineering Department. Our Honorable Campus Director Mr. V. SATYA MURTHY presides over the Seminar. The Event was hosted by SAI KRISHNA J of III year ECE .The guest speaker was heartily welcomed by Nandha Kishore, a student of Electronics and Communication Engineering Department. Sreejith. N. S of IV year ECE has introduced Dr.L.K.Hema, HOD ECE to the gathering. The guest lecture was preceded by a short talk given by the department head Prof Dr.L.K.Hema, HOD/ECE. She highlighted how the Guest Mr. Velmurugan, reached the height and she admired his work when he studied here. DIPTI KUMARI of III year ECE introduced our eminent guest speaker Mr.Velmurugan to the students. The guest speaker has adequate Skills in Embedded Systems and its application. Deployed various simulators all over India as a skill initiative and showcased innovative products in international events and shows. He also explored the area where students can come with their innovative idea and create their own prototype model. The session ended with vote of thanks which was given by SYED KHADEER AHMAR student of ECE Dept. As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding of what and how future technology is going change the world.
