REPORT FOR WEBINAR ON ORGANIC FARMING FOR HEALTHY LIVING**

The Women Empowerment cell and Institutional Social Responsibility cell organised a webinar on Organic farming for healthy living through zoom app on 2/05/20 from 5pm to 6.30 pm. Mrs.Jayashri Krishnan, Proprietor,D Organica Garden shoppee was the resource person .Around 85 participants from Tamilnadu and Keeala participated in the webinar. Dr.S.P.Sangeetha, Program Director and Vice Principal (Academics) welcomed all the participants and started the webinar. Mrs.Jayashree elaborated the participants regarding benefits of organic farming, need for it, advantages of natural fertitsters,pesticides,etc.,.She gave a live demonstration on the basic steps to grow plants in grow bags using the seeds at home. Since there is a huge demand for supplies and need for vegetables during covid 19 lock down days, people are scared to go to market to buy vegetables, hence this webinar was really an eye opener for all the participants. All the participants thanked the organisers for arranging a very useful webinar during these lock down days
