

## TREE PLANTATION

Dr.APJ.Abdul Kalam ,11<sup>th</sup> President of India, premier Indian Scientist, and fondly called as People's President, born on October 15, 1931 in Rameswaram. He had a great passion towards Science & Technology and utmost care about Environment. He was the first president to travel all over the world and interact with students whom he liked the most. He had utmost care about environment, for which he insisted the people to plant trees and to form green environment by 2030. He also motivated the students to dream for a developed India by 2020 which was reflected in his biography named "The Wings of Fire". He was rested in peace on July 27, 2015.

In this regard, on the first anniversary of Dr. APJ.Abdul Kalam, "Tree plantation" event was held in the college campus under the benevolence of Dr. S.Suyambazhahan, Principal, Aarupadai Veedu Institute of Technology conducted by National Social Service (NSS) on 27.07.2016(Wenesday) at 02:45pm. All Heads of Department, Faculty members and NSS Student Volunteers eagerly participated in planting the sapling of Marudham, which had great medicinal value in Ayurveda for the treatment of cancer. The saplings were planted on the adjacent side of open auditorium initiated by The Principal, AVIT followed by the Heads of various Department along with student volunteers. On this occasion, the Principal motivated the students through his lecture about Dr. Abdul Kalam and urged them to plant trees.

Dr.S.Suyambazhahan,Principal,Aarupadi veedu of technology, planting the tree sapling on the first anniversary of Dr.APJ.Abdul Kalam on 27.07.16(Wednesday) near the campus auditorium.
