**NSS UNIT III REPORT**

**VISIT TO MAGZHIMAI ILLAM (Home for Differently abled children) on  
16/9/2017**

Mitigating the God-given challenges of the challenged is the ardent responsibility of the considerate humanity. Hence the **NSS UNIT III** under the guidance of Dr.B.Prabasheela, planned to work for the mentally challenged children. To start up only few NSS volunteers visited “**MAGZHIMAI ILLAM**” at Chengalpattu a special residential school for the mentally challenged children to understand their needs and work for them on **16/9/2017**. At present, **MAGZHIMAI ILLAM** is home to thirty eight such children which provide training on pre-school skills and therapeutic services to children with disabilities. After interacting, we understood that they are in need of descriptive charts, craft training and writing practice. The unit assured to help them and as a startup we have received a copy of their curriculum to cope up their standard. The students were very happy and expressed their gratitude to the Management and Principal for granting permission for such event
